AN ACT

To amend chapter 392, RSMo, by adding thereto one new section relating to telecommunications service.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 392, RSMo, is amended by adding thereto one new section, to be known as section 392.351, to read as follows:

392.351. Where technically feasible, any provider of a telecommunications service as defined in subdivision (53) of section 386.020 or any information service as defined in 47 U.S.C. 153(20) that originates or forwards any communication to be transited or terminated by a telecommunications company over its telecommunications facilities shall transmit to the transiting or terminating telecommunications company, along with other signaling information, the jurisdictionally appropriate telephone number of the party initiating the communication.
